Michele

Janice will be on vacation starting Monday and I will be traveling to Bakersfield for an industry meeting. Ben Wright and/or Brandon Schlegel will be present. If there is a call in phone, I can try calling on the road.

Hello John and Rob,

We thought it would be a good idea to get our next technical work group meeting onto the calendar. Lisa and I are proposing to come to Sacramento on Monday, August 10, same time, same place. We can put together an agenda closer in, but we know at least there was an action item from last Thursday's meeting--to discuss a deliverable format and realistic date for a summary of the Category 1 drinking water well evaluations. Perhaps further discussions on Arroyo Grande as well.

If that time is not convenient, Wednesday and Friday may also be possible. Please let us know at your earliest convenience. Also, please forward to others as appropriate.

Thanks,

Michele
